Bill Scott Sweeps Election

Conservative William Scott was Monday night re-elected for his third successive term as Member of Parliament for Victoria-Haliburton.

And his win marked a record as he almost doubled the vote on Liberal David Walling and more than quadrupled NDP candidate Maurice Windatt.

Unofficial tallies from 190 polls showed Scott with 18,012, Walling with 9,477; Windatt 3,678.

From the first return which arrived about 7:10 p.m. from King's Wharf, Scott led and never looked back.

By 7:20 p.m., with five polls heard from, Scott had 247 to Walling's 144 and Windatt's 47, numbers, which if projected, would give the final outcome.

Walling topped Scott in only seven polls, one of which was in Lindsay, at Parkview. He also won in Cannington and Bobcaygeon advance polls; Bangor

HOCKEY EQUIPMENT EXCHANGE

On Saturday morning at the Municipal office, the Minden Minor Hockey Association will hold an equipment exchange. Between the hours of 10:00 a.m. and 12 noon. Anyone needing equipment and those with equipment to donate, are asked to attend.

Township, in Hastings, poll 154; poll 165, Woodview, in Burleigh Township; poll 172, in Galway Township, at RR 1, Kinmount; and Downeyville.

However, he failed dismally in Lindsay.

Unofficial counts gave Scott 3,676 to Walling's 2,169 in Lindsay. Windatt got 744 votes in Lindsay.

Four years ago, Scott beat out Liberal David Logan by 2,400. He had beaten Logan in 1965 to take the seat for the first time.

It is still not official what the Prime Minister plans to do. The official count gave the PC's 108 and the Liberals 107.

This was Canada's closest election ever.

BY-LAW CAUSING TROUBLE IN LUTTERWORTH

A restricted Area By-law that has been passed by the Township of Lutterworth has come under heavy criticism by many ratepayers in the Township.

Many complaints have been received by Mrs. Elinor Burke, Clerk-Treasurer concerning the By-law.

A reliable source told the "Progress" that complaints concerning the size of lots, seasonal residential control, and commercial restrictions have been received.

In the By-law it is necessary to purchase a five acre lot on Rural Agricultural land to have a single family dwelling house. According to the By-law any area zoned as seasonal can be used as a secondary place of residence for seasonal vacations and recreational purposes only.

Problems such as the By-law mentioned here has stirred interest up in Lutterworth Township, and could make for a very interesting election in December.

H.H.S.S. STUDENTS VISIT STRATFORD

On October 20 and 21, forty students from the Haliburton Highland Secondary School travelled to Stratford to attend two Shakespearian plays. These were both afternoon performances. The remainder of the time was spent shopping and viewing different sites in Stratford.

Friday afternoon they were present at the performance of 'King Lear.' Saturday afternoon they attended 'As you like It.' Everyone was impressed by the theatre, the costumes, and the high calibre of the acting. Both plays received standing ovations.

Those who enjoyed this experience were: Betty Webster, Caroline Stamp, Nancy Anderson, Susan Brohm, Judy Elder, Judy Cowan, Anne Cox, Wendy Schofield, Carol Hewitt, Nancy Wooden, Susan Wolm, Cindy Archer, Cathy Campbell, Cathie Todd, Nancy Ford, Louise Hubbard, Judi Andrews, Mary Agnew, Teresa Vanderwal, Martin Grant, Eric Burk, Grant Wallace, Steve Colliver, Dick Burk, Doug Macnab, Dick Stouffer, Andy Dube, Stephen Baker, Bob English, Brenton Winters, Wayne McGee, Peter Leighton, Paul Cummings, Bob Beeney, Clemens Vanzeyl, Craig Kennedy, Richard Smith, Kirk Conebeare, Joe Iles, Greg Bishop.

Chaperones for the trip were Mr. and Mrs. H. J. Armstrong and Mr. and Mrs. S. Cooper.

WEAVING GROUP HELD SECOND MEETING

The new Weaving group held their second get-together in the gallery of the Haliburton Highlands guild of Fine Arts on Thursday, October 26th at 2 p.m.

Weaving problems were discussed, weaving literature was looked through and individual subscriptions made to preferred publications. Further exploration of lace weaving techniques was done. Several took the opportunity of trying out this interesting weave on the loom, while suggestions were given on its use.

At the next meeting which

will be the last Thursday in November, it is hoped to have some color slides on modern weaving. At the moment our space is restricted, but when the weaving group moves into larger quarters, there will be an opportunity for beginners to study this craft.

The design workshop held October 21 and 22, proved inspiring and informative for those who attended.

Mr. Walter Hickling taught this popular course at the summer school, and we were fortunate to have him back this fall.

SIR SANDFORD GRADS HAVE 95 PER CENT EMPLOYMENT SUCCESS HERE

One of the highest employment records in Ontario has been set by those graduating last spring from post-secondary programs at the Peterborough campus of Sir Sandford Fleming College, according to a final survey showing a 95 per cent success rate.

College placement officer skip Triplett said that of the 295 graduates of business, general and applied arts and technical programs, 230 entered the job market and only 11 are known to be still seeking employment.

CANNING LAKE

2 bedroom main cottage, 2 pc. bath, fireplace, screened porch plus 2 bedroom beach house with sauna, sand beach, year round access. \$27,000. Terms.

BOB LAKE ISLAND

2 bedroom cottage, combined kitchen-livingroom, fully lined, 3 boats, boathouse nicely wooded island, part sand and part rocky shore, 1,000 ft. from main land. Priced right at \$16,500.

RED CROSS
IS ALWAYS THERE
WITH YOUR HELP

THE MAIDENS' VIEWPOINT !

by

Norm Maidens

I was hoping to be able to tell you that the "Clergy House" had been sold to the Anglican Synod thus returning this historic site to the Parish of St. Paul's

which had occupied it from 1897 until 1947.

Such is not the case. For a long time the Synod had shown an interest in buying back the house and, at different times, Bishop Hunt would extract a promise from me that when the house went on the market the Synod be given the first chance.

Bill and Lenore Prentice honoured this promise of mine and the Synod was contacted. Things went along smoothly then, the Synod decided they didn't want the property.

There is an old saying, "if you hold a fifty cent piece out at arm's length you can blot out the sun" — it would seem to apply here. My understanding was that there was some 18 to 20 thousand dollars earmarked for St. Paul's Parish to acquire more property — suddenly this money seems to have been re-routed into another direction.

Be that as it may it looks as if the Synod has lost their last chance to regain this historic building.

Years ago Christ drove the money-lenders from the Temple. It would appear that he could do this job again. When it comes to sentiment or historic value, balanced against the dollar sign — the "\$" always wins out.

Last Sunday night while having supper at the "Stonehedge" near Rosedale, a gentleman from Lorneville came over to the table and wondered if I remembered him. I couldn't recall ever having met him then he explained that he had gone to school with the local NDP representative and that he thought I was the gentleman in question. Somewhere in the County, is a poor unfortunate contestant wandering around looking like me which is enough to ruin any man's chances.

Ah yes, that brings me to the picture in this column — I'll explain the whole thing to you next week.

Drive carefully, your life is valuable — it's about the only commodity that can't be replaced. When it's gone it's gone — game over.

HALIBURTON COUNTY

SOCIAL PLANNING COUNCIL

AT WEST GUILFORD

COMMUNITY CENTRE

The Social Planning Council meets once a month to bring together persons in the County involved in social services within the County in both official and voluntary capacities.

The October meeting took place at the new West Guilford Community Centre where Mr. Mac Prentice made a presentation to members explaining the origins, purposes and programme of the Centre.

The Community Centre is owned by the Municipality and is governed by a committee of citizens serving an area within a radius of 20 miles surrounding West Guilford. Other than the Management Committee, there are four working committees concerned with 1. Youth 2. Building, 3. Fund-raising and 4. Liason with Council.

The goals of the Centre are elastic, and include a desire to serve the social needs of all age groups. Already a pre-school programme operates 2 days a week, an Arts and Crafts programme operates on Saturdays for ages 8-12, a youth 'Drop-In' centre is open on Saturday evenings, a children's film programme operates Friday evening with the kind co-operation of Browndale who have provided the films, and a Thursday card party meets every week for the older members of the community. In addition to the building facilities there is a good open air ice rink and a fine ball field. Mr. Prentice explained that he hoped the Centre will help keep people interested in their own community, and that it will provide opportunities for people of all ages to become involved with one another in programs leading to healthy development based upon wholesome values and principles.

The Social Planning Council expects shortly to publish a directory of all social and community services available within and for the benefit of Haliburton County, which will be of special interest to those who serve the public. President of the Council is the Rev. Frank Ford of Haliburton.

BELL CANADA INTRODUCES BARGAIN MONTH

Bell Canada began a new campaign to merchandise optional residence telephone service with the introduction today of a special plan called bargain month.

For the first time Bell residence customers can have an extension telephone, contempora phone, princess telephone, or any combination of the three, installed without the normal \$9.00 installation charge. The order must be placed between October 23 and November 30, for installation no later than December 9th.

The same saving will apply to touch-tone, colored phones, jacks and plug equipment, and a number of other services, if the customer has them installed with his bargain month order.

The regular monthly charges for optional services such as contempora, princess, touch-tone and extension service, and the regular one-time charges for princess and colored telephones, will remain in effect. The \$11.00 installation charge for moving a service to a new address or to install a new telephone line will also apply.

Bargain month will enable Bell residence customers to improve their telephone service by offering them optional services at nominal cost. It is expected to generate approximately \$1 million in additional revenue for Bell in 1973, and to add 40,000 telephones to the Bell network. All Bell residence customers in Quebec, Ontario, Labrador and parts of the North West Territories are eligible for the bargain month saving.

FUEL TRUCK DRIVER SUFFERS INJURIES

A fuel tank truck driver suffered fractures on Wednesday when the vehicle overturned about one mile east of Minden on the Haliburton Highway.

Henry Alrutz, 46, of Minden is being treated in Minden Red Cross Hospital.

Police said he had been driving a Shell tank truck, owned by Sid Stamp, of Minden, west on Highway 121 when he lost control on a curve.

The vehicle entered the ditch and rolled. The vehicle was returning empty to Minden.

The truck sustained \$1,500 damage.

BIG LOSS

To run a Municipality — like running the country, one must have qualified people and have the support of the public. After the Federal Election Monday, we have a tippy situation in Ottawa, lets hope it doesn't

happen here, at the Municipal level.

We have already suffered a big loss this week with the resignation of Sig Weiss, By-Law Enforcement Officer. Mr. Weiss is leaving his post after three and a half years of dedicated service. He was hired in June of 1969 and will leave his position at the end of December, returning to Toronto with a Consulting Office as a Structural Draftsman.

It will be very difficult to replace Sig (as he was known to everyone) for he was extremely qualified for the position here. The job of By-Law Enforcement Officer today in this Municipality is a demanding, underrated job, and requires a very diversified person to handle the variety of requirements expected from this office. Duties in this department involve the water system, Welfare Administration, Building Inspector, Dog Catcher, By-Law Enforcement for every segment of legislature, you name it, this man has looked after it — and extremely efficiently.

His reasons for leaving are many, however he told this writer that, "many of the aspects of the job are impossible to carry on without full support of the public who are always opposed to legislature being enforced. Much of this is from the Provincial level and has nothing to do with my department or council, but must be carried through all the same." The way I see it after listening to Mr. Weiss explain his case, is this, the job is not an easy one for a good natured, easy-going personality, one must be tough and callous to objections and abuse. Someone with his qualifications simply doesn't have to take it.

His achievements since coming here three years ago, can be seen on the North side of the River bank. This improvement was done with money from the Rotary Club — it was designed and managed by Mr. Weiss, who took it on as an extra, to save the Municipality money and put to use a crew of men, on the Winter Works grant, who did the labour by hand. At the present time, and the reason for not leaving till the end of December, Sig has drafted the plans and received approval from O.W.R.C. for the water main extension and the sewage disposal plant for the new arena, and wants to see it completed. The work he has put into this job alone will save the Municipality 50 per cent of the costs of the project, which will amount to approximately \$6,000 of a saving to the people here — I ask you, how many By-Law Enforcement officers are doing this kind of work for their Municipalities?

In the years I have been in Minden, the Municipal office under the guidance of Richard Parisotto and Sig Weiss, has never been run better. These are top employees, and it is a shame to lose one of them — lets hope those taking the responsibility of Council in the coming election, can make these jobs attractive enough, and give them the support needed, so their jobs will function smoothly.

We are going to miss Sig Weiss, his experience, dedication, accomplishments, fellowship — Rotary will miss him too, for he is presently Vice-President of the club and has been a tower of strength in that organization. After leaving, he hopes to visit Minden on the weekend, for he will keep his farm in Carnarvon, and eventually he hopes to retire here.

It is with regret he must go — but all good men are hard to keep. With this I take this opportunity, on behalf of all his friends and business associates, to extend to Sig and his family, the very best of happiness and success in their new venture.

COLLEGE STUDENTS WORKING WITH WELL- KNOWN THEATRE ART GROUPS

Thirteen fine arts administration students from Sir Sandford Fleming College are working with such organizations as the National Ballet Company, the St. Lawrence Centre and the Cobourg Art Gallery to add practical experience to their classroom training.

Fine arts co-ordinator Andrew Aarons said field placement is compulsory for his second-year students, who are being trained to fill such positions as business management for theatre and art groups, stage management, set construction, lighting, museum display and model making.

'This is the first year we have been involved in field placement, and co-operation from the various groups across Ontario has been excellent,' Mr. Aarons said.

He noted the exercise is of particular value since the College has been able to arrange placement corresponding to the individual interests of the students.

Other organizations utilizing Sir Sandford students are the St. Catharines Symphony and Art Gallery, the McLaughlin Gallery, in Oshawa, the International Curios Shop, in Peterborough, and the College itself for promotion of local art exhibitions. Another student is involved in promotion of The Jest Society, a Toronto-based satirical review.

SPORTS CORNER

with CLIFFE BURKE

The Minden Minor hockey season officially opened on Sunday in Fenelon Falls when five Minden teams took the ice for their first practice. I managed to watch three of the teams, Juveniles, Midgets and Pee Wees.

The Juveniles iced twelve players out of twenty-one who are signed up to date. Coach Neil Burk should have his hands full choosing sixteen players from this lot, as they are all enthusiastic over playing this season.

A couple of standouts at this first practice were centres Wayne Harrison and Bob Arbuthnot. Wayne looked in mid-season form as he never seemed to stop skating for the whole hour, they were on the ice. Bob stood out as the best player in the scrimmage, coach Burk gave them, with many solid checks which ultimately led to two fine goals. The best defenceman by a country mile was Peter Burk.

Coach Norm Harrison's Midgets appear fairly solid up front but seem shaky from the goal to the blue line.

With John Welch, Kirk Hewitt, Gary Foster and Doug Ray up front there should be plenty of goal scoring. However, the graduating Bantam defencemen will have to come of age quickly as goalie Keith McIntosh is not experienced enough yet to hold the team himself. Veterans Barry Ward and Mark Walker will help to steady the defence though.

Coach Larry Kent of the Pee Wees seems to have half the youngsters in Minden trying out for his team. This should be the team that goes all the way this season, Coach Kent has last years scoring aces Brian Shaw and Tom Gough. He will also have Vezina trophy winner, goalie Mike Bird between the posts. Other standouts from last years great Novice team who will be viewing for spots on this years Pee Wees are: Paul McKenzie, Jim Hatkoski, Terry Harrison, Garry Harrison, Corey Coneybeare, David Arbuthnot.

Last weeks Dominion Hotel Shuffleboard tournament was won by Rick Mansfield and Cliff Burke. Leaders to date are Doug Robinson with 13 points, Rick Mansfield 10, Paul Warburton 9, Bob Cowan and Cliff Burke 7 each.

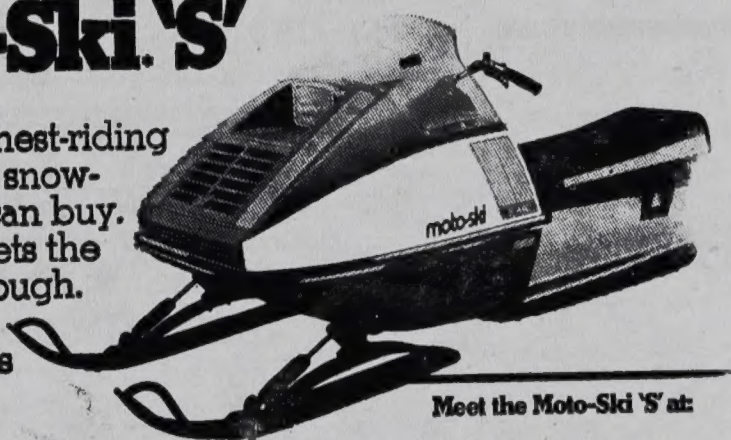

In Haliburton County Men's Commercial Bowling action this week, we find yet another new league leader. The Haliburton Highballers moved into top spot this week with an easy seven point victory over Miles Road Runners. Modern Electric had a harder time with Cox's Colts but still came away with seven points. Rockcliffe Beer Nuts dropped the fast rising Ingoldsby six taking five of a possible seven.

Standings this week find Haliburton with 36 points, Rockcliffe 35, Modern Electric 31, Cox's Colts 25, Ingoldsby 20 and Miles Road Runners 16.

Next week we will give you a run-down on the Novice, Mite and Bantam hockey teams. Just off hand the Novice club under coach Al Greir will practice in Fenelon Falls this Friday, at 6.30 p.m. They will leave the Municipal building here in Minden at 5:00 p.m.

THINKING ABOUT CHRISTMAS CAKE

Since Christmas is but a few weeks away, select your favorite fruit cake recipe, and plan on baking your Christmas cake now or early in November to have it rich and flavorful for Christmas time. Keep these pointers in mind, suggest food specialists at the Ontario Food Council, Ministry of Agriculture and Food. You'll be delighted with the results.

Whatever type of cake you plan to make, study the recipe carefully. It is generally not advisable to double the recipe, as this may prevent proper blending. You may substitute fruit ingredients, but always be sure that the total weight of fruit is the same as called for in the recipe. Small dried and glace fruits are usually left whole. Larger fruits and nuts such as candied cherries, pineapple and walnuts should be chopped to allow for even distribution of fruit and to ease the cutting of the finished cake. Candied and dried fruits are easily cut with scissors dipped in hot water or flour.

Use corrugated cardboard cut to fit the bottom and sides of pans. Cover with two layers of ungreased aluminum foil, or one layer of greased brown paper. Fill cake pans no more than two-thirds full, press batter well into corners.

Baked cakes, once removed from the oven, should be allowed to stand in pans to cool and 'set'. When cool, peel off the paper linings, rewrap carefully and store in a metal container with a tight-fitting lid.

OBITUARY

HAROLD ALVIN SEARS

The death occurred at Huntsville District Memorial Hospital on Tues Sept 19, 1972 of Harold A. Sears beloved husband of Hazel Wilhemine Thorn. The deceased, who resided in Dorset Ontario, had been in ill health for some years.

The late Harold Sears was born at Minden on Sept. 18th 1907 and was the eldest son of the late George and Etta Sears of Minden. He was educated in that community and came to this district in 1944. He was married at Bancroft to Hazel W. Thorn, daughter of the late Major and Mrs. William J. Thorn V.D. of Omeme, Ontario. He was employed as a driver for Ontario Department of Public Works now Dept of Natural Resources for almost 26 years. The late Mr. Sears was a member of Arcadia Lodge no. 440 of Minden since the 17th day of Sept 1937.

Left to mourn his passing are his wife, a daughter, Mrs. Norma McKay of Dorset and a son William of Toronto; one sister Evelyn (Mrs. Oscar Henderson) of Haliburton and Milton of Minden. There are nine grand children and three great grand children.

A Masonic Service was held at the Addison Funeral Home on Thurs Sept 21st at 8. The Funeral service, conducted by the Rev. Robert Lumley, was at the Anglican Church Dorset with interment in Pain Lake Cemetery. Pall bearers were brothers Allan Griffin, Jack Clayton, James P. McKey, Murray McEachern, and Noel McLennan.

KENNETH FIELDING AND MARGARET FAWNS

WEDDING HELD AT EAGLE LAKE

The Community Church in Eagle Lake tastefully decorated with coloured leaves, was the scene of a candlelight wedding ceremony on Saturday, September 30, 1972, when Margaret Alison Fawns, daughter of Mr. and Mrs. Harold Fawns, became the bride of Kenneth Arthur Fielding of Ingoldsby.

The bride entered the church on the arm of her father. She wore her mother's wedding gown, trimmed with Hanitor lace. Her headdress was a Dutch style cap of heirloom lace. The bride carried a bouquet of marguerites and Fuji mums arranged on a background of colored leaves. Tucked in her sleeve was a lace handkerchief which had been carried by many brides in her mother's family.

Her attendants who preceded her up the aisle to the music of 'Jesus, Joy of Man's Desire' were Mrs. Debra Dart and Mrs. Peter Dean, both gowned in yellow and carrying bouquets of yellow marguerites on coloured leaves.

Miss Candice Schroter, a longtime friend of the bride, played the organ throughout the ceremony.

The marriage was conducted by Reverend John Smith, and the young couple and their attendants signed the register in the presence of the congregation.

Dennis Casey was the groom's best man, and the usher was Stephen Fielding, brother of the groom.

The bride and groom are pictured above cutting their cake at Sir Sam's Inn, where they, their parents, and attendants received their relatives and friends.

The bride's mother wore a long gown of apricot brocade and the groom's mother chose a full length plum-coloured gown which was trimmed with silver. Both wore a cymbidium orchid corsage.

The happy couple left on a short trip to the Thousand Islands, the bride wearing a mauve pant suit.

They will be living in Toronto where Mr. Fielding is employed with the Bell Telephone Co. and Mrs. Fielding is on the staff of Toronto East General Hospital.

ABOUT THE TOWN

With Jeanne Sears

Read in the paper why commercials on Radio and T.V. are louder than the regular programming. It seems these are taped louder and the stations cannot lower this unless they have a special control on their transmissions. Guess the reason for the sound is that you usually take your break for coffee etc. while these are playing.

Correction from a previous column, it was Mr. and Mrs. L. Pritchards 55th Wedding Anniversary. Sorry about that.

Mrs. Jane Kastoft of Vancouver has been visiting with her relatives a sister Mrs. Lenore Francis, and brothers Andy and Holly Stevens.

Sincere sympathy to the family and friends of the late Walter Muir, a former resident, whose funeral was since last week.

Federal Election is over with all the candidates giving a huge sign of relief. But no majority, unless the NDP joins one of the Major Parties otherwise we may be faced with another general election. This is the will of the voters so we may see how each vote counts. Did you mark yours?

Congratulations to the newlyweds Mr. and Mrs. C. G. Brown (nee Judy Alton) whose wedding was last Saturday.

The ladies of the U.C.W. had a very successful Rummage Sale at the United Church Hall last Friday with a good crowd there picking up good used articles.

At the weekly Mini Card Party last Thursday winners were Joyce Hewitt, Mary Maidens, Hilda Harrison, Mary Wright and Florence Robinson. This is a good way to spend an afternoon with everyone welcome. These are at one thirty, Thursdays at the Anglican Parish Hall.

The Auxiliary of the Hyland Crest held their Halloween Tea-Bazaar last Wednesday in the Auditorium. There were several draws with winners for the huge loaf of bread, Master John Murphy, for the Pillow Cases Joyce Bacon and the door prize went to Mrs. N. Gilmore. All the visitors enjoyed a cup of tea and lunch and a good many of the crafts made by the residents were also sold.

Perhaps many do not know that Milly Prentice is the member of the Women's Institute who sent cards and gifts to sick or shut-ins. Now she is away for surgery at Toronto General, Room 434 University Wing, if you'd like to send her a card.

Three members of the Women's Institute served birthday tea at the Hyland Crest last Thursday afternoon, being Mrs. W. Walker, Mrs. Lyman Cox, Mrs. P. Clarke. Little gifts were presented to the birthday ladies, (no gentlemen having birthdays in October). These ladies were Elizabeth Morris, Myra Gilmore, Johanna De Bos, Mary Alsop, and Berta Dawson.

Next week we honour our dead in the last Wars by wearing a poppy. The funds are certainly a help to needy veterans who still live in hospitals or veterans homes.

Hunting season next week, be sure of your target — don't shoot a pal.

Cheerio until next time.

COUNTY COUNCIL MEETING RESULTS

COUNTY COUNCIL CHAMBERS

County Council of the Provisional County of Haliburton met in the Council Chambers at 10.00 a.m., Wednesday, October 18th, 1972, with all members in attendance. Warden Malcolm McGillivray declared the meeting opened.

Moved by V. Agnew, seconded by Roy Brohm, that the minutes of the meeting of September 25th be adopted as read, having been circulated and printed. Carried.

Business arising from the Minutes was as follows:

(1) The Clerk read a letter directed to the Honourable Leo Bernier requesting an opportunity to discuss Crown Lands.

(2) Auditors Dawson, Grey and Co. have arranged to commence audit procedures within the next few weeks.

(3) Chairman of the Planning Committee, Gary Agnew, reported that the proposal for an Official Plan is presently being reviewed in the Minister's office.

Moved by Jerry M. Howarth, seconded by Robert Vick: that we approve payment of cheques numbered 381 to 422 inclusive for a total of \$23,151.75, as listed and circulated. Carried.

The Clerk read correspondence as tabulated:

(1) Bert Boorman — re. Hastings Centennial Manor.

(2) County of Peterborough — concurring with resolution from Provisional County of Haliburton concerning Hwy. No. 507.

(3) Weir and Foulds — re. Dodge Construction.

(4) Department of Agriculture and Food — A.R.D.A. Branch, re. winter work projects in Haliburton County.

(5) Haliburton County Snowmobile Association — re. brief to Select Committee on Snowmobiling.

Moved by A. O. Shingler, seconded by Robert Vick: the Correspondence Committee suggests that Council concur in principal with letters received from the following and in particular those on the Clerk's list, respectfully submitted by the Correspondence Committee reported on current activities: A. O. Shingler, R. Vick, and J. and progress of the County

Elder. Carried.

Roy Bates, President of the Haliburton County Snowmobile Association, was in attendance and gave an interesting presentation on the Association's goals for safety, development, and providing work in the County instead of welfare.

Moved by Roy Brohm, seconded by V. Agnew: that the County support the Trails Improvement Project of the Haliburton County Snowmobile Association and assist them to acquire winter works money. Carried.

Moved by Chas. S. Brandon, seconded by G. Agnew: that Jerry Howarth be appointed to represent the County on the executive of the Haliburton County Snowmobile Association. Carried.

Moved by Roy Windover, seconded by J. Elder: the Council do hereby resolve that the Government Departments, particularly the Ministry of Natural Resources and Transportation and Communications, the Counties and Municipalities cooperate fully in the setting of wages for all winter works projects. Carried.

The Warden declared the Session adjourned until 2.00 p.m. Council reassembled at 2.00 p.m.

Mr. Grenville Martin of the Martin Lumber Company presented an urgent problem in transportation of lumber.

Moved by Chas. Brandon, seconded by S. G. Nesbitt: that the Clerk phone the local member and the Minister of Natural Resources immediately requesting that the access through Bruton Township granted to the Martin Lumber Company remain open until a delegation from the County has an opportunity of meeting with the Minister. Carried.

Mr. Stuart McElrea, Valuation Manager with Haliburton, Victoria, Peterborough Assessment Region, outlined Section 72 of the Assessment Act and current activities of the Assessment Office, followed by an informative open discussion.

Chairman of the Road Committee, Chas. S. Brandon, and County Engineer D. Jack Cox reported on current activities of the County

Road System. It was generally agreed that the new County Road Number 1, being officially opened October 31st, should be designated as Haliburton County Road Number 1, to give promotion to the County.

Moved by V. Agnew, seconded by Roy Brohm: whereas E. and E. Seegmiller has requested an extension of 15 working days on Contract 912-6, and whereas the Road Committee has approved an extension of 7 working days; therefore be it resolved that the Warden and Clerk be authorized to sign the necessary documents for a 7-day extension to the working days for Contract DR 912-6. Carried.

Moved by S. G. Nesbitt, seconded by Chas. S. Brandon: Whereas reconstruction of County Road No. 2 requires a water lot along Pigeon Lake and whereas the Road Committee recommends to County Council that the Warden and Clerk be authorized to make application for License of Occupation for this water lot; therefore be it resolved that the Warden and Clerk sign the application for License of Occupation for Water Lot shown as Part 27, Reference Lot RD 19R265, being part of Lot 11, Concession 13, Township of Lutterworth. Carried.

Moved by Jerry M. Howarth, seconded by Bob Vick: be it resolved that a petty cash fund of \$50.00 be set up for the Clerk-Treasurer for miscellaneous expense. Carried.

Moved by Chas. Brandon, seconded by G. Agnew: that the County apply for \$61,400.00 to be spent on brushing, surveys, etc. of County Roads through the L.I.P. Programme and or the Provincial winter works programme. Carried.

Moved by Roy Windover, seconded by Jim Elder: that the meeting adjourn until called by the Clerk. Carried.

Malcolm McGillivray,
Warden.
Winifred M. Lahay,
Clerk-Treasurer.

**RED CROSS SERVES YOU
EVERY STEP OF THE WAY**

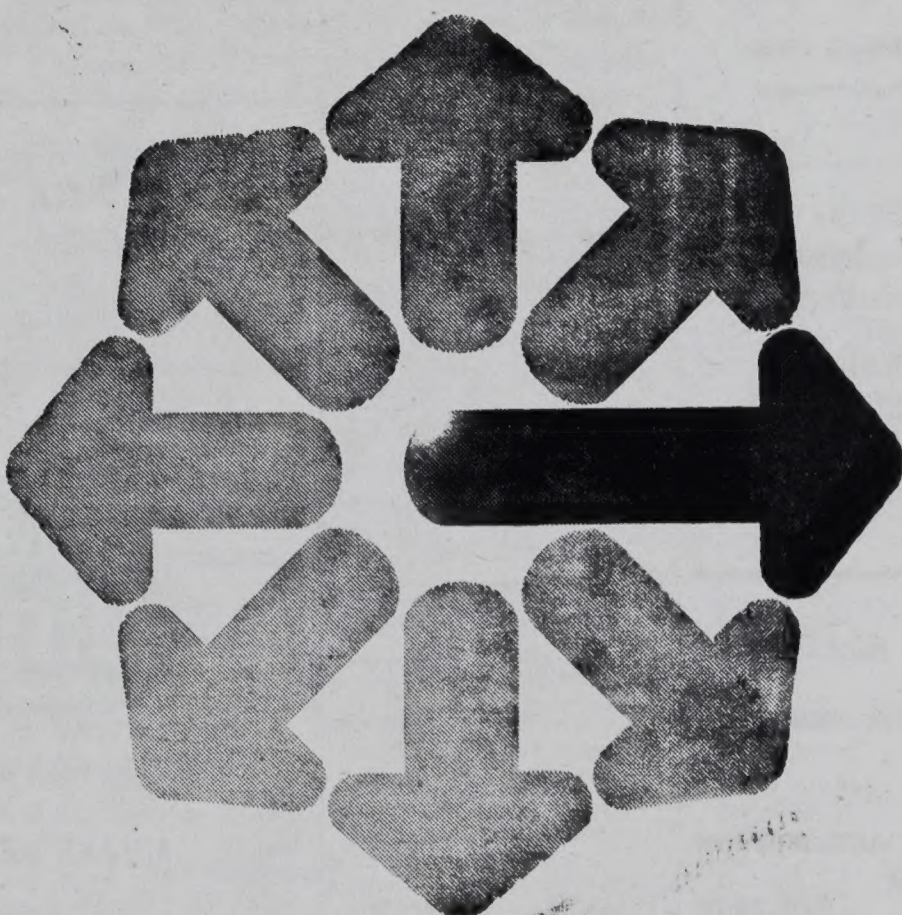

icular those on the Clerk's minutes, Cus. S. Blanton, and list, respectfully submitted by County Engineer D. Jack Cox the Correspondence Committee reported on current activities A. O. Shingler, R. Vick, and J. and progress of the County

Canada Savings Bonds are instant cash. They can be redeemed anytime at your bank at their full face value plus earned interest.

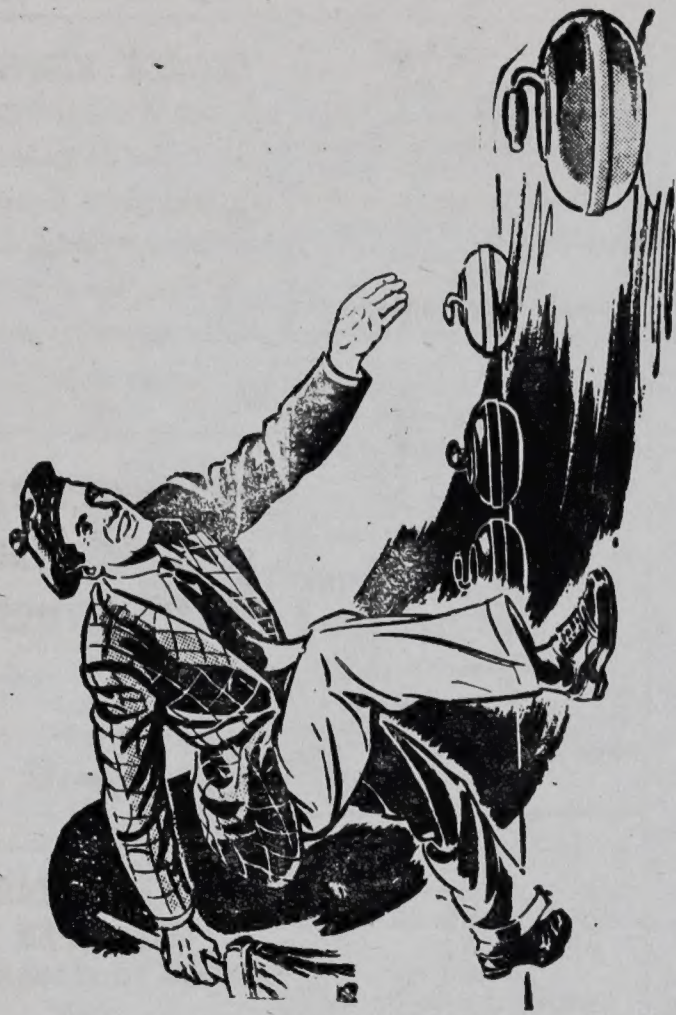

Canada Savings Bonds are easy to buy. They're available in amounts ranging from \$50 up to a limit of \$50,000. You can buy them in three different ways (a) for cash where you work, bank or invest (b) on instalments through the Payroll Savings Plan where you work (c) or on instalments through the Monthly Savings Plan where you bank or invest. Go ahead! Start something good today! Buy Canada Savings Bonds.

Start something good today with Canada Savings Bonds! They're the go-ahead way to save for the future without worry. They're backed by all the resources of Canada and they pay good interest year after year.

New Canada Savings Bonds yield an average of 7.30% a year when held to maturity. Each \$100 bond begins with \$5.50 interest for the first year, pays \$7.00 interest for the second year, pays \$7.50 interest for each of the next four years, and then pays \$7.75 interest for each of the last six years. On top of this you can earn interest on your interest and make each \$100 grow to \$233.25 in just 12 years.

7.30%
AVERAGE ANNUAL INTEREST TO MATURITY

Chamber Highlights

from the desk of Marion Arnfield

We were fortunate in having one of our Directors present at the meeting of the Chamber of Commerce, held in Toronto, October 17th.

The report of this meeting has just been received, from the office of the Ontario Chamber of Commerce, and as the news is very important, rather than the usual "Chamber Highlights" I would like at this time to pass the report on to you.

More than 70 delegates from 34 Chamber of Commerce in Ontario met today with the Honourable John White, Minister of Industry and Tourism and Officials of the Ministry for a special "Briefing and Dialogue Session". The meeting was called in response to a request by the Ontario Chamber of Commerce on behalf of its member organizations throughout the province.

In welcoming the delegates, Mr. White highlighted recent developments which have occurred within the Ministry following recommendations by the Committee on Government Productivity. Among these new developments are two five-year programs in tourist promotion and development. The emphasis in these programs will be on strategy as well as salesmanship, with a continuing effort to ensure geographic distribution of the Ministry's developing resources.

Mr. White also commented on 12 Exploration Teams currently working with the Ministry. These teams are made up of businessmen from Ontario and explore various ideas for making the economy more buoyant. Among the subjects being studied by these groups are small business programs, tourist attractions, research and trade centres.

Commenting on the period following the C.G.O.P. report, the Minister said that there had been a shift of resources from Toronto to the Regional offices of the ministry. There are now 30 field offices and half of these are in Ontario. The shift is also reflected in the fact that Regional O.D.C. offices now have autonomy or lending in amounts up to \$100,000.00.

Peter York, Executive Director of the Business Development Division Branch of the Ministry spoke on the three major programs of that Branch which are: Industrial Development, Trade Development, and Financial Assistance. He told the group that there were ten major industrial development programs within the Branch and that

consultants were available as part of some of these programs. Among these ten programs are: Plant Location, Expansion Assistance, Product Development Clinics, Joint Venture Arrangements and Licensing Arrangement programs.

Mr. York also outlined 13 Marketing programs which are conducted by the Ministry. Among these are Sales Missions, Group Buying Missions, Export Seminars, The Ontario Trade and Travel Centre, Foreign Market Development and a network of foreign trade offices.

Mr. York's branch also administers a number of financial assistance programs and these were explained in brief. The O.D.C. has four basic loan packages; Performance Loans, Small Business Loans, Export Assistance Loans and Tourist Industry Loans. It was pointed out that the O.D.C. considers itself to be a "last resort agency" and in no way does it consider itself to be competition for private sector loaning agencies. The O.D.C. lends money to businesses only and not to municipalities.

Ross Radford, Executive Director of the Field Services Branch stressed the improved accessibility of the Ministry following the adoption of C.O.G.P. recommendations. He added that the emphasis in his department would be on the accumulation and distribution of

vital economic information. Inventories are currently being done on professional skills and facilities in the province. Plans are also underway to add resource people to the tourism staff and increase consulting services. The Department is also preparing information on federal and provincial grant programs.

In addition to the information function, the Field Service Branch conducts local promotion seminars, assists municipalities in planning Industrial Development, and works closely with regional councils and local chamber of commerce. Mr. Radford concluded by saying the Field Service Branch, both at the Regional and Provincial level, welcomed the suggestions and recommendations of local Chamber of Commerce.

Communications Director Fred Boyer pointed out that off-season tourist promotion was going to increase in Ontario. The Communication Branch is also creating new programs to develop the convention market in Ontario. He called on Chamber of Commerce to send their promotion literature to the Trade and Travel Centre recently opened by the Ministry in Toronto.

Mr. Boyer called on each Chamber in Ontario to help the Ministry reach its goal of attracting 56 per cent of the U.S. tourist dollars to Ontario. Ontario Chamber President Ted Fielding responded by saying that the Chamber movement in Ontario shared the governments desire to bring about a thriving economy through stimulating tourism and industry in the province.

THE SURVEYS ACT

Take notice that under section 52 of The Surveys Act, Revised Statutes of Ontario 1970, Chapter 453 as amended a hearing before the Surveyors General will be held at the Village of Haliburton in the Provisional County of Haliburton in the offices of the Deputy Chief Ranger's Headquarters of the Ministry of Natural Resources on the 14th day of November A.D. 1972 at 2 o'clock local time in the afternoon to consider the following resurveys shown on plans and field notes of survey:

Provisional County of Haliburton

1. West and part of the East Boundaries of the Township of Anson.
2. North Boundary of the Township of Dysart.
3. West Boundary of the Township of Eyre.
4. West Boundary of the Township of Harburn.
5. East Boundary of the Township of Hindon.
6. East Boundary of the Township of Stanhope.

County of Peterborough

1. Part of Road Allowance between Concessions III and IV in the Township of Harvey

County of Victoria

1. West Boundary of the Township of Digby.

Copies of reports, plans and field notes of survey may be examined at the Deputy Chief Ranger's Headquarters at the Village of Haliburton or at the Office of the Surveyor General, Ministry of Natural Resources, Parliament Buildings, Toronto, Ontario.

All parties interested in or affected by the resurveys referred to herein may attend at this hearing and will be heard concerning any objections as to why the surveys as performed should not be confirmed.

And further take notice that if any such person or persons do not attend at this hearing the Surveyor General may proceed in their absence and they will not be entitled to any further notice in the proceedings.

Dated the 6th day of October, 1972.

Leo Bernier,
Minister of Natural Resources,
for the Province of Ontario.

Walter Q. Macnee,
Deputy Minister of Natural Resources,
for the Province of Ontario.

REMEMBRANCE WEEK

NOVEMBER 5TH TO 11TH

The Dominion President of the Royal Canadian Legion has proclaimed 'Remembrance Week' from November 5 to the 11th a time when the nation will pause to renew its thanks to veterans and those still in active service, and to honour those who gave their lives to insure our freedom.

On Poppy Day, Saturday, November 4th, members of the Haliburton Branch of the Royal Canadian Legion will be joined by the Ladies Auxiliary, school children of the surrounding districts, and other volunteers in an effort to canvass the area for the sale of poppies, wreaths, crosses and sprays. Your donations to the Poppy Fund will assist in two ways. First, the local branch purchases these emblems from 'Vetcraft' a firm whose employees are disabled war veterans who depend on the manufacture and sale of these symbols to earn their livelihood. Secondly, by the resale of these emblems by the local branch, funds are made available to help veterans of this community and their dependents in times of illness and financial emergencies. All proceeds realized from these sales are deposited in a trust account for the sole purpose of providing such assistance.

We hope everyone will wear a poppy— 'The flower of Remembrance' — or display one of the other emblems during Poppy Week. Haliburton Branch 129 will make every effort to contact everyone within its district to insure that wreaths, etc. are made available for the decoration of veterans' graves, memorials, cenotaphs, public buildings and business establishments. These may be purchased from canvassers who will be calling on you within the next few days, and they will also be available for sale at the Legion Hall.

Remembrance Day services will be held in the Haliburton Legion Auditorium on Saturday, November 11th, commencing at 10:00 a.m. to be followed by a parade to the Cenotaph on Highland Street for the laying of wreaths and the act of remembrance at 11:00 a.m. Everyone is invited to take part in these services.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

Ministry of Transportation and Communications

In the matter of an application by the Minister of Transportation and Communications for approval to expropriate in the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land for the realignment of a road intersecting the Kings Highway 35.

Notice is hereby given that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

The Approving Authority Is

Minister of

Transportation and Communications

Parliament Buildings,

Toronto 5, Ontario.

Minister of

Transportation and Communications'

W. G. Wigle, Director,

Right-of-Way Branch

NOTES:

1. The Expropriations Act, provides that,

(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and (ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows: In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario, being part of Lot 7, Concession 8, designated as PART 1 on Ministry of Transportation and Communications' Plan P-2904-85 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-260. This Notice first published on the 2nd day of November, 1972.

Minden 286-2381

Haliburton 457-2224

by Lorna Rogers

Eighteen months ago broadcaster Allan Anderson prepared an ambitious series for CBC Radio's Anthology, interviews with Canadian poets. It has taken him a large part of the intervening time to tackle an equally large venture — interviewing 60 novelists and short story writers from coast to coast. Aspects of the Canadian Novel, a seven-part series, constitutes a major look at the art of prose-writing in Canada, and it begins on Anthology, Saturday, November 4.

On its Sunday, November 5 program, Cross-Country Check-Up will be carried by 144 U.S. radio stations as a co-operative effort between the CBC and the U.S. National Public Radio. The topic, Are Canadians Anti-American? should draw a lot of response on both sides of the border. The program, hosted by Pierre Pascau, will include a mini-documentary placing the whole concept of anti-Americanism in its historical and cultural Canadian context. This international open-line hook-up promises to be a unique broadcasting experiment.

For the first time during its year on the air, This Country in the Morning will originate from a region other than Toronto. For the week of November 6 - 10 host Peter Gzowski will be broadcasting from CBC studios in St. John's. In December, the show heads for Edmonton and Calgary.

As more and more of the complexities of Grey Owl, the Englishman in redface, become unravelled, one fact becomes increasingly clear — that he was a conservationist of powerful conviction and persuasion who pleaded the cause of preserving wildlife and the land long before it became fashionable. Broadcaster Barry Penhale has prepared a portrait of this contradictory personality for Between Ourselves, Monday, November 6.

CBC Radio will cover the proceedings of the U.S. election on Wednesday, November 7 with 10 minute reports on the hour and half-hour during the evening. These reports will be scattered throughout An Evening of American Politics, a special providing illumination and background of the U.S. political system and the election with host Bruce Rogers.
